## From Munich Airport to GenISys GmbH --- easy by train (S-Bahn)

If you arrive in Munich Airport, just follow the green "S" sign (=S-Bahn) :

There is an Infodesk at the airport (Terminal 1), before you go down to the "S" Bahn.  
There you can buy a ticket - Ask them for a single ticket to Taufkirchen (in german: Einzelfahrkarte - cost Euro 10,00) and also for a plan (overview – of S-/U-Bahn). Here you can see the different Directions and train numbers.  
You can also buy a ticket downstairs at the ticket machine. Please choose:  
"Einzelfahrkarte über 4 Zonen"

When you come down, you take the S8 direction Munich City (München Zentrum – Hauptbahnhof)

Attention: Do not take the train with the number S1

It takes approx. 35 minutes to reach the station : OSTBAHNHOF.

You arrive on platform 1 - get out from the train, go downstairs and upstairs to platform 4

There you take "S3" with the endstation either "**Deisenhofen**" or "**Holzkirchen**"

When you are downstairs, you will see a table, with train numbers and endstations !!! (Make sure you take the right direction !!!) Trains are coming every 20 minutes, so you never have to wait too long. In the rush hour the S3 is coming every 10 minutes.

You have to get out at **TAUFKIRCHEN** - wenn you get out of the train, and the train station is on your back side, turn in the street on the left side, which is "Eschenstraße". Walk through the street until the end, the last house on the right side is Eschenstr. No. 66 – GenISys is in the 1<sup>st</sup> floor.
